

Where to Fish in Indiana

Indiana has more than 21,000 miles of fishable rivers and streams, along with 452 natural lakes and 580 impoundments. The table below includes DNR-owned access areas, as well as other access sites where you can boat or bank fish. Preferred areas are marked with an asterisk. The wheelchair symbol denotes handicap accessible areas. Access varies per site.

Please call the number provided for more information. Site specific regulations may apply in addition to the information supplied by the access table. All general rules, regulations and size and bag limits are enforced according to this guide. Speed limits, motor size and safety regulations vary by site. It is your responsibility to read and obey all fishing and boating regulations.
